2. We are here to develop entrepreneurs.
3. Your child excel with us.
4. Tech savvy children is the demand of future.
5. We develop attitude of enquiry in our students.

INTRODUCTION

The school will give every child a healthy and natural environment to learn and play. We, at Pioneer believe that education is not merely class room teaching; it is to connect every child with 'values'. We ensure to develop every child so that they become a good citizen of India and a good human being. The cozy, convenient, hygienic, eco-friendly and vibrant campus at Pioneer is designed keeping child's safety and health in mind. It is a place where each child feels free to express, play with colors, observe, experiment, analyze, read, write, dance and sing.

PHILOSOPHY

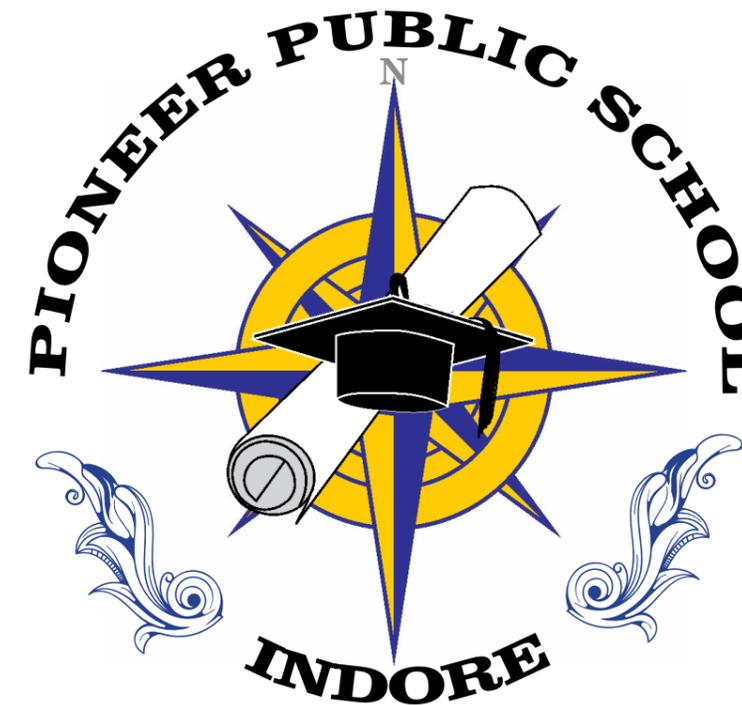

We believe in all round development of a student's personality which has rudiments of Vivekananda and Bill Gates. In other words, we make a blend of materialism and spiritualism. We want to build a society where there is no scarcity of material pleasure and at the same time, we do not lose touch of our cultural heritage and emotional side of our personality.

AFFORDABLE FEE STRUCTURE

Pioneer Public School is committed to provide quality education with best learning methodology and participative management system. At the same time we believe in sustainable value based education for all section of society. For that we have introduced affordable fee structure with modern tools and technique

LUSH GREEN CAMPUS

A day at Pioneer Public School is an entirely different experience altogether. The picturesque site and blossoming green environment makes the campus, free from pollution. The campus is spread over 6 acres of lush green land which has more than 2,500 trees. The school is also easily reached by public transportation. We have a well ventilated school structure with safe and hygienic indoors and outdoors.

MONTESSORI

The Montessori Method of education helps in physical, social, emotional, intellectual development of a child. At Pioneer Public School, Montessori education is driven by an ambitious aim to aid the child's development into a complete adult human being, comfortable with himself, with his society and with humanity as a whole. We have well equipped Montessori Lab for children who work under the guidance of Montessori trained teachers.

- Latest Montessori Apparatus
- Smart classes offering advanced and latest digital content
- Fully equipped and safe play areas
- Specially designed furniture for toddlers
- Practical learning through fun and field trips

AUDITORIUM

The School encompasses a huge auditorium that can accommodate over 800 people. Numerous recreation activities such as cultural, extracurricular, co-curricular and indoor games are organized in the auditorium frequently.

TRANSPORT FACILITY

At Pioneer Public School safety of each child is our utmost concern. We offer optional bus facility to students. Our team ensures safety of child transportation through routine and detailed checks on bus, verified drivers, background checks, etc. Every bus has camera system to ensure safety of the students. All buses are properly managed by Transport Incharge.

SMART CLASSES

We all know how helpful it is to remember something that is taught visually to us rather than the one that is read through pages after pages. The concept of smart class education is indeed a blessing to the students of the 21st Century. Technology is changing the way life functions and if it's for the good, then why not go for it! At Pioneer Public School we use all interactive modules like videos and presentations. Learning will take place through animations, games, worksheets, modelling, 3-D images, etc.

LIBRARY

The school library is well equipped and open to all students of the school. The aim of the school library is to help students' acquire the habit of reading and gain knowledge beyond curriculum books. We have the latest books not only in the curriculum but also beyond curriculum to enhance students' general knowledge. Our state of the art E-Library facility provides student access to enormous worldwide content.

MUSIC & DANCE

Through music, children take an inner experience and move it into a shared creative experience. We have set up a well- equipped Dance & Music room. We at Pioneer Public School understand the importance of Music and Dance in child development and learning. We are confident that our trained teachers will instill music and dance abilities in your child.

COMPUTER LAB

Information and Communication Technology (ICT) is an integral part of Pioneer Public School curriculum. In this age of Computer Technology, an early exposure to the basics of computer, prepares the children for the future and also helps them to overcome any inhibitions they might have towards computer usage. Our computer lab is adequately equipped for the same. Teachers assist children in seeking out information, creating multimedia content, collaborating on project work and presenting the knowledge gathered from multiple sources.
